

## **Troup County Prevention Coalition Wish List**

### **24-hour Prescription Drug Drop Box - \$750**

There is currently one 24-hour Rx Drug Drop Box in our community located at the Troup County Sheriff's Office. We are hoping to be able to add another box at the LaGrange Police Department. 70% of Rx drugs used recreationally come from the medicine cabinet of a friend of family member. Our drop boxes provide a safe place to dispose of meds.

### **Red Ribbon Week Supplies and Activities**

**Speaker: \$2000    Supplies: \$2500**

TCPC has been funding the Red Ribbon Week speakers and supplies in our local public middle schools for the past several years. We are hoping to continue this worthwhile program! Our speakers present to all sixth grade students, and we supply bracelets, pencils, and other Red Ribbon Week items for the kids.

### **Town Hall Meeting Supplies**

**Bottled Water, Food Items, Plates & Utensils, Canned Drinks, Gift Cards,  
Door Prizes, Facility Rental Fees - \$500, Speaker Fees - \$100-\$500**

We hold a presentation each year for community awareness of youth substance abuse. In April 2014, we hosted Dallas Gay and Scotty Libby from the Medical Association of Georgia to talk about their experiences with Rx Drug and Alcohol abuse.

### **Chili Cook-Off Supplies**

**Bottled Water, Canned Drinks, Kroger or Publix Gift Cards to be used for Chili Ingredients**

We partner each year with the Children's Advocacy Center to participate in the Chili Cook-Off every October. This is a fantastic event for passing out info about teen drug and alcohol use and getting out into the community.

### **Donation Drop-Off Location**

99 Johnson Street, Building C

LaGrange, Georgia.

Monday-Friday, 9am to 5 pm.

Please contact Jamie Daniel for donation pickup.
